TASTING NOTES

The Sauvignon fully expresses its exotic aromas. In the mouth one finds these aromas again. The Ondenc gives this wine its fullness and richness. To drink young so as to keep all its freshness and aromas.

VINEYARD

- **Terroir:** Right bank of the Tarn River
- **Soil:** clay and chalk

VINIFICATION

The grapes are brought to the pneumatic press using a higher point than the vat. The grapes then undergo a fairly short static decantation and then fermentation is done under controlled temperature of 16 to 17 degrees. The wine is bottled in the year it is harvested.
