#### WINEMAKER NOTES

This grape variety is strong and productive; its berries have a thick and durable skin. Therefore, even during the bad seasons, the farmers can count of this wine to "pagadebit", or pay off their debts.

#### TASTING NOTES

Its fresh, savory, and aromatic character makes Pagadebit a great discovery for white wine lovers, especially those who enjoy Sauvignon Blanc. With a lively straw-yellow color, it has an intense floral perfume, typical of the grape variety, like hawthorn, fruity aromas of white peach, and a pleasant taste. The finish is soft and finely herbaceous.

#### PAIRING SUGGESTIONS

Vegetable appetizers, omelette with fresh onions, rice with asparagus, pea soup with leeks, and Adriatic sea prawns and shellfish. Serve at 12° C.
