## QUINTA DE COVELA TOURIGA NACIONAL ROSADO

### TECHNICAL INFORMATION

<b>Country</b>	Portugal
<b>Region</b>	Vinho Verde
<b>Producer</b>	Quinta de Covela
<b>Vintage</b>	2018
<b>Composition</b>	Touriga Nacional
<b>Alcohol</b>	12.5%
<b>Certifications</b>	Environmentally Friendly

#### Winemaker Notes

100% Touriga Nacional, Portugal's most emblematic red grape. Made by the classical rosé method, this wine is known for its elegant pairing of palid hue and balanced structure.

#### Tasting Notes

The color is a pale, rose-petal pink. The nose is fresh and light, with notes of strawberry and a touch of citrus. The palate is dry with vibrant, yet fine acidity, marked by a touch of spice and blueberries.

#### Pairing Suggestions

Enjoy at a temperature between 8°C and 10°C. Ideal for outdoor meals and other "al fresco" moments, by the sea, by the pool, on the terrace, in the garden, but always in good company. A gastronomic rosé which lends itself very well to all sorts of summer fare and also Asian cuisine.

#### Vineyard

At Quinta de Covela we practice organic farming on the granitic soils that form a natural, South-facing amphitheater of low-lying terraces overlooking the right bank of the Douro river. Covela lies in the southeastern- most corner of the Vinho Verde demarcated region, on the borderline between the continental climate of inland Portugal and the maritime influences of the Atlantic coast to the West.

TELLS A STORY

### **Viticulture**

Manual harvesting. Harvest organized by vineyard plots to ensure harvesting at the right time. Transport in small boxes to avoid crushing.

### **Vinification**

Spontaneous fermentation in stainless steel vats and fining with bentonite when necessary. No use of enzymes. Aged on fine lees until mid-March. Cold stabilization. Light filtration.
