**GIGONDAS CUVÉE DU ROSSIGNOL ROSE**

Its robe has a strong pink color with purple tints. The bouquet is an explosion of almonds and cooked red fruit. On the palate it is heady, generous and well balanced. The Gigondas rosé could surprise you as an apéritif wine or hold its own throughout a whole meal.

**GIGONDAS "LA COMBE SAUVAGE"**

Deep reddish purple in color, a wine of great expression. The macerated red fruit and pepper make up a rich and intense bouquet, engaging and typed. The mouth, in unison, is so round and smooth that it seems almost syrupy. Remarkable harmony that nothing disturbs, the first nose in the final.
