This wine has a nice structure, fresh, fruity with fine and persistent bubbles.

## Domaine Thibert Pere et Fils SAINT VERAN

Burgundy, France

Rich and beautifully balanced, with the signature St. Véran note of honey on the nose. Ready to drink tonight and every night!

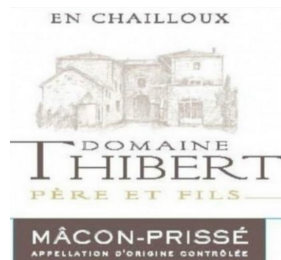

## Domaine Thibert Pouilly Fuissé

Look for a vibrant nose, with hints of peach, apple, pear and wood spice. An attractive medley of ripe fruit, spice and buttery and toasty French oak nuances carry through on the palate. It has good weight and acidity, with evident follow-through on the finish.

## DOMAINE THIBERT POUILLY-FUISSÉ

APPELLATION D'ORIGINE CONTRÔLÉE  
RICH AND COMPLEX, VERY BALANCED WITH A LONG FOLLOW-THROUGH.  
TASTINGS [86 RATING]: "HIGHLY RECOMMENDED."  
100% CHARDONNAY FROM OLD VINES (40+ YEARS).  
AGED IN OAK FOR UP TO A YEAR, WITH SOME NEW OAK.

### 100% Chardonnay

Medium straw in color, with clean aromatics of apple, pear, cream, honey and rainwater, and big expressive flavors that echo with a hint of sweet cream soda over the decidedly dry base. This has a nice density to it without being in any way heavy, and finishes with some stony mineral.

## Domaine Thibert Crémant de Bourgogne Rosé

On the palate fruits abound - redcurrant, pomegranate, red cherries, strawberries - with rosewater and vanilla cream. The fruits balance well with the fresh acidity and the hint of tannin and you are left with a long-lasting creamy, rich, red fruit finish.
