

COSTA DI BUSSIA

BARBERA D'ALBA

"VIGNA CAMPO DEL GATTO"

TECHNICAL INFORMATION

Country	Italy
Region	Piemonte
Sub-Region	Barbera
Producer	Costa di Bussia
Vintage	2017
Composition	100% BARBERA

WINEMAKER NOTES

When Luigi Arnulfo purchased this estate in 1874, it included already the famous fields of "Campo di Buoi" and "Campo del Gatto". Today they are precious cru, the heart of the Costa di Bussia consisting of 15 hectares of vineyards that offer particular and complex wines. The starting point to produce wines of great structure intended for a very long life. The label bore the name of the wine, and quite clearly where it came from: the farm of 'Sir' Luigi Arnulfo, pharmacist and producer of Barolo at Costa di Bussia, in Monforte. Pair with roasted meats, grilled meats, and mature cheeses.

TASTING NOTES

Intriguing deep ruby red color; maraschino cherries, blueberry, and wild berry jam notes combine with the spiciness that emerge in the long finish. A velvety feeling in the mouth invites another sip.

VINEYARD

Native red-berry vineyard. It gives birth to strong wines, rich in alcohol, that need a long ageing to achieve those characteristics that make them superior and popular worldwide. A difficult vineyard in terms of soil exposition, treatment and fertilization. Strong, calcareous and tough yet rich soils are perfect for this vineyard that sprouts early, in the middle of April, and matures quite later in the middle of October. It's sensitive against sudden changes of temperature. It prefers a constant weather, on sunny hills, South/South-West oriented, between 200 m and 450 m high, to be preserved from freeze.

VINIFICATION

Manual harvest with qualitative selection of grapes. Destemming of the grapes to separate the stalk from skins, soft crushing. Cold maceration in stainless steel for six hours to extract the color and the aromatic substances from the skins. Pressing of the fermented lees. Racking and fermentation in stainless steel, with automatic start of the malolactic fermentation. Pouring and refining storage in stainless steel for a few weeks. Ageing for 30 months, 3000 liters in Oak barrels to develop its bouquet. Bottling by inert atmosphere. Refining storage in the bottle at a controlled temperature (14 degrees C.) and humidity (75%) for at least 6 months.

BAROLO DOCG

TECHNICAL INFORMATION

Country	Italy
Region	Piemonte
Sub-Region	Barolo
Producer	Costa di Bussia
Vintage	2017
Composition	100% NEBBIOLO
Press	90 Points Decanter
	2014 Vintage: 90 points Wine Enthusiast

WINEMAKER NOTES

When Luigi Arnulfo purchased this estate in 1874, it included already the famous fields of “Campo di Buoi” and “Campo del Gatto”. Today they are precious cru, the heart of the Costa di Bussia consisting of 15 hectares of vineyards that offer particular and complex wines. The soil is mostly marly from the Tortonian age. The starting point to produce wines of great structure intended for a very long life. The label bore the name of the wine, and quite clearly where it came from: the farm of ‘Sir’ Luigi Arnulfo, pharmacist and producer of Barolo at Costa di Bussia, in Monforte.

TASTING NOTES

Classic and inviting, spicy, with the soft ruby red color typical of Nebbiolo. Excellent harmony of flavors and tannins, silky and persistent; the rose notes make it unmistakable.

VINEYARD

Native red-berry vineyard. The oldest and most noble vineyard of Piedmont, maybe of Italy. Known also as the appellation “queen of the red grapes”, the nebbiolo needs careful and diligent care. It gives birth to strong wines, rich in alcohol, that need a long ageing to achieve those characteristics that make them superior and popular worldwide. A difficult vineyard in terms of soil exposition, treatment and fertilization. Strong, calcareous and tough yet rich soils are perfect for this vineyard that sprouts early, in the middle of April, and matures quite later in the middle of October. It's sensitive against sudden changes of temperature. It prefers a constant weather, on sunny hills, South/South-West oriented, between 200 m and 450 m high, to be preserved from freeze.

VINIFICATION

Macerated 10 days; vinification in small fermentation tanks, with traditional pumping over the cap of the must to delicately extract substances and tannins. Aged 26 months in oak. We have set out to achieve the very best by leaving the finest bunches on the vines during the grape harvest so that they can be picked when they will have had the opportunity to ripen still further and will produce a more concentrated Barolo. Manual harvest with qualitative selection of grapes. Destemming of the grapes to separate the stalk from skins, soft crushing. Cold maceration in stainless steel for six hours to extract the color and the aromatic substances from the skins. Pressing of the fermented lees. Racking and fermentation in stainless steel, with automatic start of the malolactic fermentation. Pouring and refining storage in stainless steel for a few weeks. Ageing for 30 months, 3000 liters in Oak barrels to develop its bouquet. Bottling by inert atmosphere. Refining storage in the bottle at a controlled temperature (14 degrees C.) and humidity (75%) for at least 6 months.

PRESS

"Delicate aromas suggesting star anise, leather and a whiff of iris slowly emerge in the glass. The medium-bodied elegant palate shows sour cherry, clove and white pepper notes alongside bright acidity and youthful, lithe tannins. Drink 2021–2027." - 90 points, *Kerin O'Keefe, Wine Enthusiast (2014 Vintage)*

DOLCETTO D'ALBA DOC

TECHNICAL INFORMATION

Country	Italy
Region	Piemonte
Producer	Costa di Bussia
Vintage	2018
Composition	100% DOLCETTO
Alcohol	14%

WINEMAKER NOTES

When Luigi Arnulfo purchased this estate in 1874, it included already the famous fields of “Campo di Buoi” and “Campo del Gatto”.
